

# STAINLESS STEEL SINK - DR060 FULLY WELDED

## DIMENSIONS

This Holmes 1000mm wide right hand sink with drainer is fully welded and assembled in York, where the firm apply years of experience in the installation and design of commercial kitchens into its structure. Made from high quality 304 stainless steel, the sink is highly resistant to corrosion as well as hygienic and easy to sanitise. It is also designed to take the knocks and bangs that come with a busy working kitchen, providing assurance from its quality construction, materials and experience gained from installing commercial kitchen furniture from executive restaurants to the royal kitchens at windsor castle.
